Spanish Language Learning

The Parent Support Group has successfully secured a grant from 'Awards for All' to introduce Spanish language learning to Years 1, 2 and 3, beginning each Wednesday from 5th October 2016 until the end of the school year. Mrs Hilary Duncan, an experienced Language Teacher, will deliver the Spanish tuition. The grant also enables the school to purchase resources to support the development of Spanish and Irish in the school.

Sincere thanks goes to the Parent Support Group for their time and energy going through this application process. A wonderful result for the school!
