

Special Diet Application Form

If your child requires a special diet, please fully complete this form and return to the school office.
Please note-

- If your child requires a special diet for religious or cultural reasons or because they are vegetarian or vegan, please fully complete Part A and Part B of this form.
- If your child requires a special diet for medical/ health reasons, please complete Part A and Part C of this form, **in addition to** a Special Diet Medical Form. Please note, special diet medical forms may be signed **only** by a medical consultant, GP or registered dietitian.

Incomplete forms will not be accepted and will be returned to parent/guardians for completion. This may result in a delay in your child receiving a special diet.

PLEASE NOTE- The school catering service will accommodate specific dietary needs from existing menus and ingredient range, therefore a child with a special dietary need may not always get a choice of dishes. If any specialist dietary preparations and prescription foods are required these will need to be supplied by the child's parent/guardian. The set price for school meals will remain the same in these circumstances.

Please contact Mrs Laura Sloane, Cook at St. Mary's Primary School, Killyclogher, if you have any questions.
